

REMARKS

Applicant has filed this divisional application to prosecute previously non-elected claims 14-27 identified in an Office Action dated June 18, 2003, in parent application Serial No. 09/912,365. Applicant has therefore canceled claims 1-13.

The application has been amended to insert into the specification the required reference to the parent application, for which benefit is claimed, of this new divisional application.

Applicant has also amended claims 15, 18, and 22 to improve grammar.

Applicant submits a replacement sheet of Figs. 21A and 21B. In the parent application, the Examiner objected to Fig. 21A because it contained a reference numeral not described in the specification. Applicant amended Fig. 21A to comply with the Examiner's request.

Please grant any extensions of time required to enter this paper and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,
